**II INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE
«FUNDAMENTAL AND APPLIED RESEARCH IN THE FIELD OF
PHARMACEUTICAL TECHNOLOGY»**

ANNOUNCEMENT

Dear Colleagues!

Departments of Industrial Technology of Drugs and of Pharmaceutical Technology of Drugs of National University of Pharmacy of Ministry of Health of Ukraine and Ministry of Education and Science of Ukraine invite You to participate in the II International Scientific and Practical Conference “FUNDAMENTAL AND APPLIED RESEARCH IN THE FIELD OF PHARMACEUTICAL TECHNOLOGY”, that will take place on **October 13, 2022**.

The conference is included in the Register of conventions, congresses, symposiums and scientific-practical conferences for the year 2021. (Certificate № 755 of Ukrainian institute of scientific-technical and economical expertise of August 2, 2022).

MAIN DIRECTIONS OF THE CONFERENCE WORK

- ✚ Prospective biologically active and modern excipients.
- ✚ Biopharmaceutical aspects of extemporal medicines creation.
- ✚ Improvement of composition and technology of allopathic and homeopathic medicines.
- ✚ Legislative rationing of preparation and quality control of extemporal medicines.
- ✚ Validation of technological process of extemporal medicines preparation.

- ✚ Modern aspects of development and industrial production of medicines, cosmetics and dietary supplements. Hospital pharmacy.
- ✚ Social pharmacy: status, problems and prospects.
- ✚ Pharmaceutical education in Ukraine.
- ✚ Current state and prospects for the use of medicinal plants and the development of phytotherapeutic agents.
- ✚ Pharmaceutical analysis, standardization and organization of drug production.
- ✚ Pharmaceutical and medical biotechnology. Nanotechnology in pharmacy.
- ✚ Veterinary medicine and pharmacy.
- ✚ Organization and economics in pharmacy, management and marketing in pharmacy, pharmacoeconomics at the stages of creation, sale and usage of drugs.

PARTICIPANTS ARE WELCOME

Scientists, master students, postgraduate students, post-doctoral students, employees of pharmaceutical enterprises, pharmaceutical companies, teachers of higher pharmaceutical and medical educational institutions.

PARTICIPATION FORM

Full-time participation (publication of materials, poster or oral report).

Correspondence participation (only publication of materials).

WORKING LANGUAGES OF THE CONFERENCE

Ukrainian, English.

PUBLICATION OF THE CONFERENCE MATERIALS

Proceedings of the conference (collection) and certificates of participants will be posted on the websites of the Departments of Pharmaceutical Technology of Drugs and Industrial Technology of Drugs of NUPh.

REQUIREMENTS TO MATERIALS SUBMISSION

- ✚ abstracts are sent in the format MS Word: *.doc; *.docx.
- ✚ Volume of thesis – 1-2 pages.; volume of articles – 3-6 pages;
- ✚ поля – по 2 см з кожного боку;
- ✚ font - Times New Roman, font size - 14 pt, single line spacing, space before and after the paragraph - 0 pt (absent), paragraph indent - 1,25 cm (use ruler settings);
- ✚ in the title of abstract there must be specified: the first line - the name (capital letters, bold, abbreviations of words and terms in the title of article are not allowed), the second line - surnames and initials of authors through a comma (bold italics), the third line - the full name of the organization given by authors (bold), through the line the main text thesis;
- ✚ scientific titles and scientific degrees of the authors are not indicated;
- ✚ when using the results of statistical data analysis, it is mandatory to indicate the software and its version, it should be also specified the methods of statistical processing, the level of probability when testing statistical hypotheses and calculations of the confidence interval for the main results of the study;

✚ materials can be illustrated with black and white tables and diagrams, which are performed using Microsoft Word functions and must be edited; illustrative material in the text should be referenced (see Fig. 1, see diagram 2, etc.). The number of figures and/or tables in the article should not exceed 2. These figures should not repeat the materials of the tables. Tables should contain generalized and statistically processed research materials, have a number and title. In tables, all columns must have headings, numbers and units of measurement must correspond to the text, word abbreviations are not allowed. In the article, abbreviations may be used only with the initial indication of the full name or in accordance with the list adopted by the Standards Committee. Units of measurement are given in accordance with the International System of Units SI;

✚ **obligatory structure of abstracts: introduction, aim of research, materials and methods, obtained results and conclusions.;**

✚ **obligatory structure of articles: introduction, aim of research, materials and methods, obtained results, conclusions and references;** after the main text of the article there is a numbered list of references (not more than 5 sources) in the form of a complete bibliographic description of works in alphabetical order (first in Cyrillic and then in Latin). References to the text are given by indicating the source number in the list in square brackets (footnotes are not allowed).

Sample design of the article is given below.

To participate in the conference, it is necessary to fill in an electronic registration form **by October 1, 2022** with the obligatory attachment of materials at the following link:

<https://forms.gle/2qb6bWTnds3enaAq7>

(in case of problems with clicking on the link, it is advisable to copy the link and paste it into the search term of your browser OR use another browser to open the form from the link, for example, Microsoft Edge or Firefox)

Abstracts or articles should be submitted in electronic version, saved in ***doc. *docx.** format. One file must contain one paper.

Name of the file must correspond to the first author (e.g. Kovalenko I.M.doc). If more than one article of an author is submitted, the files are numbered with Arabic numbers (Kovalenko I.M.1.doc).

CONDITIONS OF PARTICIPATION

Abstracts and articles that do not meet the specified requirements in the design, submitted in violation of the deadlines will be returned to the authors for adjustments.

Revised materials must be returned no later than one week after submission to the authors. Unrevised materials will not be considered. The author is responsible for the content of materials.

ORGANIZATIONAL COMMITTEE

National University of Pharmacy,
Department of Pharmaceutical Technology of Drugs,
Department of Industrial Technology of Drugs,
(4, Valentynivska str., Kharkiv, 61168).

Alla Anatoliivna Kotvitska, professor, honored worker of science and technology of Ukraine - head of the organizing committee;

Inna Mykolaivna Vladimirova, professor - deputy head of the organizing committee;

Olena Anatolyivna Ruban, professor, head of the department of plant technology of drugs of the National Institute of Medical Sciences - deputy head of the organizational committee;

Liliya Ivanivna Vyshnevskaya, professor, head of the department of pharmacy technology of drugs of the National Science and Technology University - deputy head of the organizational committee;

Inna Vyacheslavivna Kovalevska, associate professor - responsible for the organizational part;

Kateryna Valentynivna Semchenko, associate professor - responsible for the organizational part.

Serhii Volodymyrovych Spiridonov, associate professor - responsible for publishing materials (collections of abstracts of reports);

Tetyana Mykolaivna Kovalyova, associate professor - responsible for monitoring the implementation of the resolution;

Mykhailo Volodymyrovych Marchenko, associate professor - responsible for the publication of materials (collections of abstracts of reports).

Sample design of the article:

DEVELOPMENT OF OINTMENTS WITH PLANT EXTRACTS

Kovalenko I.M., Sidorenko V.P.

National university of pharmacy, Kharkov, Ukraine

Introduction. Text, text, text, text, text, text, text

The aim of the study. Text, text, text, text, text, text, text

Methods of research. Text, text, text, text, text, text, text

Main results. Text, text, text, text, text, text, text

Conclusions. Text, text, text, text, text, text, text

References

- 1.
2. and so on.
